

NAND KISHORE VIDYA BHAVAN

SUMMER HOLIDAY HOME-WORK

CLASS - 6

Computer – Write lab activity of chapter 1 and 2 in file.

Science - Prepare a file

Topic - Habitat of animals (At least 3 for each habitat)

- 1- Forest habitat
- 2- Mountain habitat
- 3- Desert habitat
- 4- Water habitat

Collect the pictures of animals and paste them and then write their habitat and name of animals.

English – Write a summary of any one story book read during the vacation in your own words.

Maths – Solve mental maths of chapter 1 and 2

Social Science – Students will create a catalogue for the components in the solar system.

Materials Required (per student):

Student Worksheet 1, Scissors, Pencils, Lined paper, Crayons or markers, Research materials (see suggestions in the Internet Resources and References section), Construction paper, Glue or tape.

Preparation and Procedures:

1. Collect various research materials for students to use books, magazine articles, Internet sites and all possible resources. See the Internet Resources and References section for ideas.
2. Collect various arts and crafts materials for students to use in creating their catalogues.

Directions:

1.You will need to create a cover page. It must contain your name and a title for your catalogue.

2.You will need to research the different components of the solar system, including:-

The Sun, Planets, Moons, Comets, Asteroids, Meteoroids and Kuiper Belt Objects.

3.One page in your catalogue should be dedicated to each component. Each page should contain the following for the component address:-

- Component's name, Description of component, Average size or size range, Composition.
- Special feature (If any).
- General location in the solar system.
- An example of the component including a picture -your picture may be a drawn image, a magazine clipping, or printed out from the internet.

हिंदी -

प्रश्न- 1 कोई पुरानी पारिवारिक फोटो चुनिए

उस पर 100 शब्दों में एक भावनात्मक/मजेदार कहानी या घटना लिखिए।

प्रश्न-2 “मैं अगर कोई सुपरहीरो होता...”

- अपने किसी मित्र को कल्पना करते हुए पत्र लिखिए – आप कौन-से अच्छे काम करते, कैसे लोगों की मदद करते?

प्रश्न-3 छुट्टियों में एक दिन कैसा बीता – उसका हिन्दी में समयसारिणी बनाइए।

जैसे :

- 8 बजे – नाश्ता किया
- 10 बजे – कहानी पढ़ी
- 12 बजे – चित्र बनाया
- 4 बजे – बाहर खेला
